

REMARKS

Reconsideration of the Final Office Action of November 23, 2005 and the Advisory Action dated February 23, 2006 is respectfully requested relative to the present Preliminary Amendment and RCE filing. Accompanying this Preliminary Amendment is a one month petition for extension of time with requisite fee.

In the present Amendment, independent claims 1, 45, 46, 47, and dependent claims 2, 3, 4, 9, 10, 43, and 48 have been amended.

A review of the current claims and the noted film and housing interrelationship relative to, for example, Fig. 4-14 showing the Sealed Air film feed path, reveals that the claimed combination of the present application is patentably distinct over the prior art (even with the currently utilized Examiner's interpretation of what constitutes a "housing").

In view of the foregoing it is respectfully submitted that each of independent claims 1, 45, 46 and 47 stands in condition for allowance as well as the dependent claims depending therefrom. Accordingly, allowance of the present application is respectfully submitted as being appropriate.

If any fees are due in this filing, please charge the fees to Deposit Account No. 02-4300. If an extension of time is necessary and not included herewith, such an extension is requested. The extension fee should be charged to Deposit Account No. 02-4300.

Respectfully submitted,
SMITH, GAMBRELL & RUSSELL, LLP
